

# Buruli ulcer Laboratory network

**Curriculum Vitae Dr Michael Frimpong**

**BU LABNET Core member**

Country:	Ghana			
Title	Dr.			
First name:	Michael			
Last Name	Frimpong			
Current position	Lecturer/Research Fellow			
Department	Molecular Medicine & Kumasi Centre for Collaborative Research			
Institution	Kwame Nkrumah University of Science and Technology			
Address	UPO, PMB, KSMD, KNUST, Kumasi, Ghana			
Email:	<a href="mailto:Mfrimpong28@gmail.com">Mfrimpong28@gmail.com</a>			
Phone:	+233 549187649			
<b>Education</b>	<b>Year</b>	<b>University</b>	<b>Degree obtained</b>	
	2015	Kwame Nkrumah University of Science and Technology, Ghana	PhD, Immunology	
	2013	Ludwig-Maximilians-University (LMU), Germany	PostGraduate Cert., Molecular Diagnostics	
	2006	Kwame Nkrumah University of Science and Technology, Ghana	BSc. Medical laboratory Technology	
<b>Work Experience</b>	<b>Year</b>	<b>Institution</b>	<b>Position</b>	
	2020	College of Health Science, Kwame Nkrumah University of Science and Technology, Ghana	Lecturer	
	2016-2020	Kumasi Centre for Collaborative Research (KCCR, KNUST)	Research Fellow	
	2016	Laboratory Reference & Research Branch, Division of STD Prevention, Centre for Disease Control and Prevention (CDC), Atlanta, USA	Visiting Scientist	
	2014-2015	Institute of Immunity and Infection, St. George's University of London (SGUL), London, UK	Research Assistant	
	2008-2011	Kumasi Centre for Collaborative Research (KCCR, KNUST)	Biomedical Scientist	
<b>Areas of interest</b>	Molecular diagnostics, Point-of-care tests, Skin Neglected Tropical Diseases, laboratory quality management system
